

7 Things You Need When Disaster Strikes

1 - Water

Keep at least one gallon per person per day of water on hand, and plan for three days.

2 - Food

Regularly rotate through at least three days' worth of non-perishable food.

3 - First-aid kit

Not all disasters are life-threatening, but a first-aid kit is a necessity.

4 - Prescription drugs

You can't necessarily plan to keep extra prescription drugs in your emergency preparedness kit, but you should keep necessary prescription

5 - Identification documents

Keep recent photographs and identifiable information on each family member. Include birth certificates, marriage certificates, medical information, and passports.

6 - Insurance policies

Keep your homeowners, flood, car, property, health, dental, and life insurance policies in the same place.

7 - Disaster Plan

What good is all of the above if you don't have a plan?
